Reactivity	0	2-Moderate
		3-Severe
		4-Extreme

Control Measure and Safe Handling Procedures

The film will burn if exposed to flame. Fire fighters should protect themselves from decomposition and combustion products that may include carbon dioxide, carbon monoxide, HCL and other such toxic gases. Wear self-contained breathing apparatus and complete personal protective equipment when potential for exposure to products of combustion exist. Fire fighting extinguishing media include carbon dioxide, alcohol foam or dry chemical. Water spray may be useful in controlling fire by keeping adjacent rolls cool.

Disposal and Shipping Information:

PVC film is not classified as hazardous waste under the Resource Conservation and Recovery Act, and unless prohibited by state or local regulation, can be disposed of in a municipal landfill or incinerated. This product is not classified by the U.S. Department of Transportation as a hazardous material.
